Our Business

Main figures

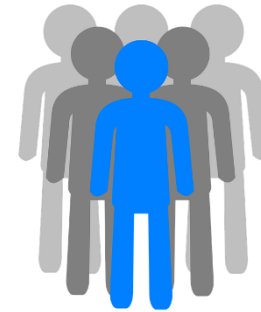

33 millions of plastics and assembled parts manufactured per year • **20** trucks delivered per day

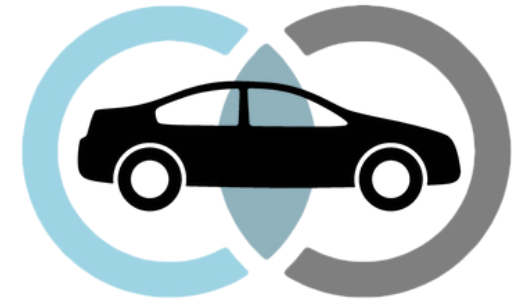

20.000 sqm total surface

32 million Eur

420 employees

27 destinations

Equipment

73 Machines in 8 Lines

65 injection machines 50-1.700tf

3 bi-injection machines 1x50tf, 2x450tf

4 blow-molding machines 20-80tf

1 vertical machine 100tf for Striker manufacturing

6 assembly stations for CFM

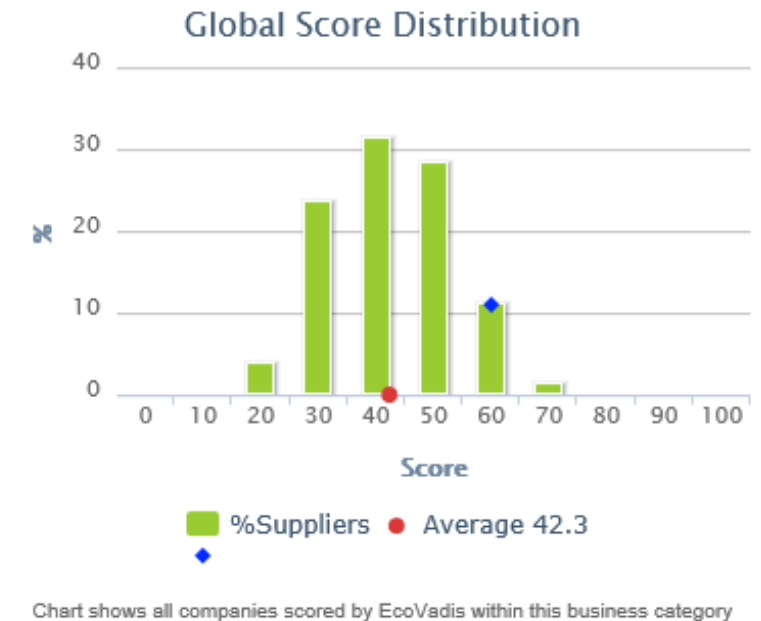

2 assembly stations for clutch pedal

1 manufacturing line for Striker

Management Systems

Automotive, Quality, Environment, Corporate Social Responsibility

Automotive – IATF 16949 • Quality – ISO 9001 • Environment – ISO 14001 • CSR – EcoVadis
